

# FEAST

## An Ultimate Protein Feed Block for Cattle and Sheep

A premium protein block for sheep and cattle. Balanced blends of bypass protein, crushed grain and minimal urea levels make this block one of the premium protein blocks in Australia. FEAST allows cattle and sheep to successfully convert more pasture feed to body protein, especially in dry or wintry feed conditions.

FEAST also contains superior levels of minerals and trace elements to complement most pasture deficiencies. Proper supplementation of stock lifts body weight gains, and increases productivity on your farm. Stock just take what they need from FEAST to keep on growing, by the action of improving rumen efficiency.

FEAST is an excellent way to ensure that your stock are given a massive lift in their diet, efficiently and economically.

### Recommended Feeding Rates

**Sheep:** Approx 6 blocks per 100 head  
20 days

**Cattle:** Approx 8 blocks per 100 head  
7 days

Replace as required.

**Note:** Average block consumption can double in poor conditions.

### \*TYPICAL ANALYSIS

Bypass Protein / Grain Products	400 g/kg	40.0%
Urea	100g/Kg	10.0%
<b>Total Minimum Crude Protein</b>	<b>400 g/kg</b>	<b>40.0%</b>
Salt (NaCl)	300g/Kg	Max 30%
Molasses	80g/Kg	8.0%
Magnesium (Mg)	25g/Kg	2.5%
Phosphorus (P)	20 g/kg	2.0%
Calcium (Ca)	30 g/kg	3.0%
Sulphur (S)	25 g/kg	2.5%
Selenium (Se)	10mg/Kg	

Note: The above analysis represents the constituent ingredients and relative proportions of the typical product only. Actual constituent ingredients and relative proportions may vary from that outlined above.

**Net Weights:** 25kg and 90kg blocks

**WARNING:** This product contains Urea that maybe harmful to animals if not properly administered. Do not feed to starving animals or animals in poor condition. Make sure that a bulk of roughage is always available when feeding this product. Rain may cause this product to deteriorate. Do not place this product near dams or creeks as cattle may roll block into water. Do not feed out other Urea products while feeding this product
