

# PRE-LAMB

Exclusive to Landmark and available now!

## A Protein / Nutrition Supplement for Ewes and Lambs

With the successful explosion of the Australian lamb market, producers now must ensure that their lambing percentages are maximized. It all comes down to the quality of nutrition for the lambing ewe. **PRE LAMB**'s new technology depends on feeding high quality bypass protein meal and macro minerals to ewes prior to lambing.

By feeding ewes 6-8 weeks prior to lambing, colostrum levels are improved in lambing ewes, which in turn, leads to improved lambing weights and results in higher survival rates.

Healthy and heavier lambs means more money in the bank, and that is where **PRE LAMB** becomes an important management tool for lamb producers.

By supplementing pasture with high quality nutrients in **PRE LAMB**, ewes have a convenient and quality nutrition source available 24 hours a day when they need it, which improves digestion of forage as well as helping to supply valuable minerals and protein.

Considering that many ewes are able to produce twin lambs, extra supplementation using **PRE LAMB** is a wise economic choice in ensuring that ewes can express their full genetic potential in successfully mothering twins to weaning.

### Average Consumption rates:

4 x 20kg blocks / 100 head / 20 days approx.

**Note:** Average block consumption can double in poor feed conditions.

**Net Weights:** 20kg blocks

### TYPICAL ANALYSIS

Cottonseed Meal	400g/kg	40.0%
Molasses	80g/kg	8.0%
Min Crude Protein from natural sources	14.8g/kg	14.8%
Minimum Total Protein	148g/kg	14.8%

### Mineral Analysis

Salt (NaCl) Max.	300g/kg	30.0%
Sulphur (S)	25g/kg	2.5%
Calcium (Ca)	50g/kg	5.0%
Zinc (Zn)	1000mg/kg	
Iodine (I)	1500mg/kg	
Selenium (Se)	56mg/kg	
Copper (Cu)	500mg/kg	
Cobalt (Co)	200mg/kg	
Magnesium (Mg)	1000mg/kg	

Note: The above analysis represents the constituent ingredients and relative proportions of the typical product only. Actual constituent ingredients and relative proportions may vary from that outlined above.
