

# TRACE

A Salt based mineral & trace element supplement,  
suitable for all grazing livestock

## The Trace Range

These products have been designed to supply minerals and trace elements for all stock.

These service lines provide customers with different balances of extra elements for different areas of Australia.

The Urea products have been designed for sheep and cattle producers only.

All TRACE blocks not containing Urea are suitable for all animals.

TRACE supplement mineral blocks are available in the following combinations:

TRACE  
TRACE plus 12% Sulphur  
TRACE plus 4% Urea
